

WEDDINGS

A ROMANTIC AND MEMORABLE BEACH LOCATION

Thank you for considering West Beach Bathers Pavilion as the venue for your Wedding.

Our open and light-filled art deco structure was built in 1928 and carefully restored in 2010.

Located on an unmatched beach-side position in St Kilda with the sand just a step away, the venue boasts an expansive deck with panoramic beach and bay views. Spectacular sunsets are dotted with yachts and the lights of Williamstown – a truly magical resort setting all in the heart of Melbourne!

Our food is fresh and tasty with a seaside influence, reminiscent of the laid back beach-goers that first visited West Beach almost 100 years ago.

Food and beverage choices and the different options available, along with some important information about your event, can be found in our information package.

We understand that every event is different, and so we are only too pleased to answer any questions you may have.

We hope you love West Beach Bathers Pavilion as much as we do and we look forward to discussing your wedding.
